**LEGEND**

50X1

- Point #1. Building Area: many large brick buildings, three-story, with gable roofs. This was the caserne area, containing billets, classrooms, school headquarters, and all the other buildings necessary to the functioning of the school.
2. Hangar Area: many large hangars guarded by Air Force enlisted men.
3. Runway: the center part of this runway [redacted] 50X1 not know its dimensions) was concrete. The remainder of the airfield area was grass and was in good condition.
- 50X1 4. Civilian Hangar Area: [redacted] there were two hangars in this area. They were used by the Svazarm flying club (formerly called Doslet).
